RE: 17-35075-cgm Bradley C. Reifler

Judge Morris,

I write today asking the Court for guidance and support as I look to resolve my bankruptcy case filed on 01/20/2017, almost 7 years ago.

I recently reached a settlement with the SEC. (1)

I pled guilty to 1 count of wire fraud which resulted in my getting a 5-year prison sentence followed by 3 years' probation. I self-surrendered to the BOP, as agreed upon, January 17, 2023.

My finances, reputation, and relationships are in tatters. I am desperate to settle my issues so my family can heal, I can serve my time, and I can focus on making restitution and settling my other debts.

Thank you for your time and consideration.

  
Brad Reifler

(1) "The respondent was CEO and founder of Forefront Capital Holdings and was responsible for investing 34 million of the insurance company's assets according to guidelines contained in a trust agreement and investment advisor agreement. Some of the investments he recommended were ineligible under the applicable insurance regulations. Reifler had knowledge of an email that misrepresented the makeup of the portfolio and he agreed to restitution of \$20,322,220"
